All – are you available the week of October 2nd and the week of November 13th? If you're all available both weeks, please block them both off on your calendars, as we aren't sure how long Harvey relief efforts will last.

A formal letter will be forthcoming. Again, apologies for any inconvenience. Please let me know if both those weeks work for you.

Thanks,
Meaghan

Subject: Jicarilla Sanitary Survey rescheduling

Hi all,

I wanted to give you a heads up that it is likely that we will have to postpone the sanitary survey because EPA Region 6 staff are involved in emergency response for Hurricane Harvey. We are trying to figure out alternate dates that work for us and will get back to you to check your availability as well.

Thanks for your understanding. I'm sorry for any inconvenience this may cause.

Thanks,
Meaghan
